Questions: Kathy(Community member) Homless camping near Center Street
offramp - could this be a code enforce. Issue ? Cole: unfortunately not because
they care located on the throughway; not on private property and City of Riv
doesn't have a No Camping Ordinance

Barney (community member) Center/Transit - close to sidewalk there is a large drop off - potential fall hazard Cole: will take a look

Community member: California/Spring St multiple residential storage units going up possibly no permits Cole: will look into

Community Member: any business cards for homeless outreach Cole: unfortunately no possible to refer to Home Connect

Community Member: since the build up of dirt mounds on property Mt. Vernon/Center it has attracted large packs of coyotes Damien: Animal Services has been notified

Questions: None

4.0 New Busiess

4.1 RivCo Environmental Health unpermitted vendors Chief K.Chandler

State currently passed bill 972 to streamline permitting for food vendors and make process easier - unfortunately it also ties the hands of code enforcement and EV Health to ticket illegal sales

HOW TO STOP - community needs to stop purchasing from unpermitted vendors

RISKS: not enforcement of proper food handling, hand washing and other sanitary conditions

Question Mussa: how do they get permits? Chandler: send an email and dept rep will closely guild through process. Currently the cost is low to begin

Jeff: pop up on Mt Vernon - illegal? Chandler: if it is on the side of the road and using an easy up - 9 out of 10 illegal

4.2 Election of MAC positions

Cynthia Cruz Secretary, Mussa Chair, Jenn Vice Chair, onion to accept Jenn Second Nick no opposition

5.0 Public Comments

Kathy Community member ; County Property o Michigan and Main - could this be turned into community garden of some sort. Rentable space
