##### 6.1 – Thomas Ketcham

- Please take a newsletter home. If you are interested in receiving the newsletter via email, please leave your email address on the sign in sheet. Please take some time to read the Kevin’s Corner this month, it really hits home about WRCOG.
- Thank you to everyone who volunteered at our Holiday events for both Halloween and Breakfast with Santa. We had over 3000 people attend for Halloween and over 1500 attend for Breakfast with Santa. Thank you also to the Grove, Citrus Hill High School, Paz Trevino, Shade Awad, Trammell Crow, DPSS, Star Milling, OPR and everyone else who helped volunteer/donate items to the events.
- New gates and speed bumps have been installed, finally!
- Cajalco road project is moving along, hopefully this year we’ll see the widening project started from Day St. to Brown.
- If you have code questions please feel free to email them online and/or call their new central number, there is information on the table by the sign in sheet.
- I have been receiving many complaints about speeding in the area; please call 911 if it is an emergency, otherwise contact Sheriff dispatch. Please understand that we can put up all the stop signs in the world, but if there is no enforcement arm to write tickets etc., it will not mean much to those who are breaking the rules.
